# KELVIN OUMA OTANDO

*APPLIED COMPUTER SCIENCE SPECIALIST*

📞 (+254) 714-820-808

✉️ Oumaklvn2018@gmail.com

## EDUCATION

NOVEMBER, 2013
**Lomolo Primary School, Kenya**
Kenya Certificate of Primary Education.

NOVEMBER, 2017
**Athinai Secondary School, Kenya**
Kenya Certificate of Secondary Education.

OCTOBER, 2022
**CHUKA University, Kenya**
Bachelor of Science, Applied Computer Science
Second class Honours Upper Division

## RELEVANT SKILLS

Data Science and Analytics

Database Design

System Architecture and analysis

User Support and Virtual Assistance

Networking and Network Design

Technical Report Writing

Cisco Packet Tracer

Notebook, PSPP, WEKA and JMP pro

Adobe Collection (Illustrator, photoshop, after Effects, and InDesign).

RStudio

Git and Gitbash

Microsoft Office

Tableau

## SOFT SKILLS

Time Management

Teamwork and Cooperation

Analysis and Training

## PROGRAMMING LANGUAGES

Python

MySQL/SQL

Java

C/C++

PHP, HTML/CSS

## CAREER OBJECTIVE

*Applied Computer Scientist Specialist with an experience in Coding, System and database architecture, User support, Data science and Analytics, Networking and Graphic design. Skilled in Data Science and Analytics in evaluating and building predictive Machine Learning Models and generation of business insights.*

## PROFESSIONAL EXPERIENCE

*June 2022– Present*

**Data scientists**

*Data science and Analytics Freelancer, Nairobi, Kenya*

- *Data cleaning*
- *Performing Exploratory Data analysis*
- *Training and Building Predictive models*
- *Generation of insights on Business related analytics*
- *Assessing built Machine Learning Models*
- *Writing Technical Reports on the Analysed Information*

*September 2020–December 2020*
